

Adding a Signature to a PDF

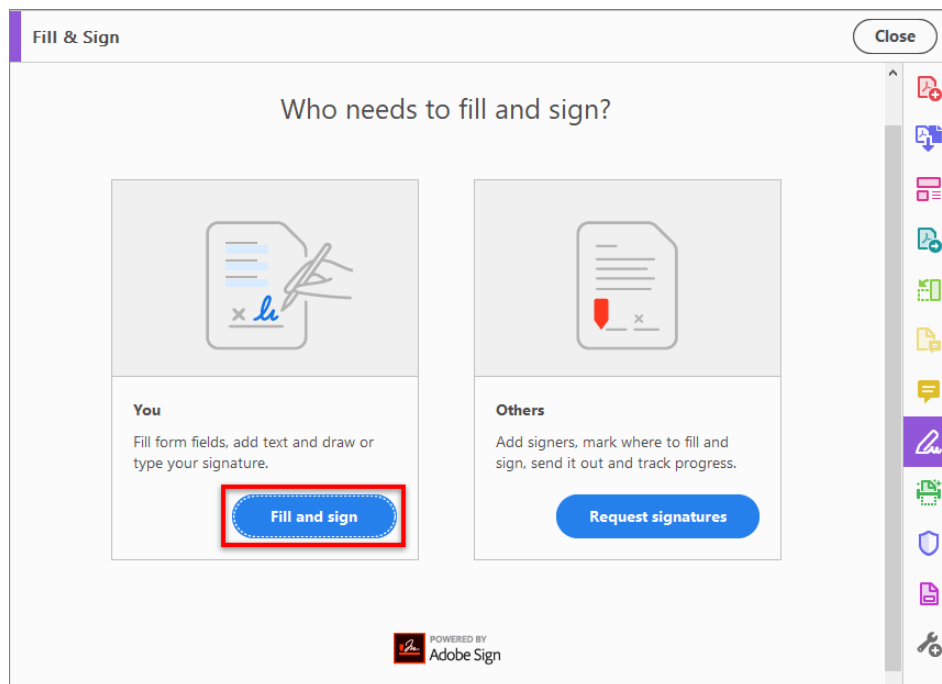

To sign a PDF form, you can insert an image of your handwritten signature or initials.

Steps to sign a PDF

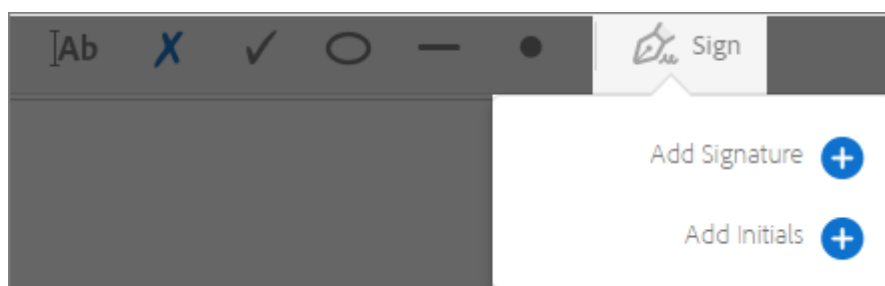

1. Open the PDF document or form that you want to sign.
2. Click the Sign icon  in the toolbar. Alternatively, you can choose **Tools > Fill & Sign** or choose **Fill & Sign** from the right pane.

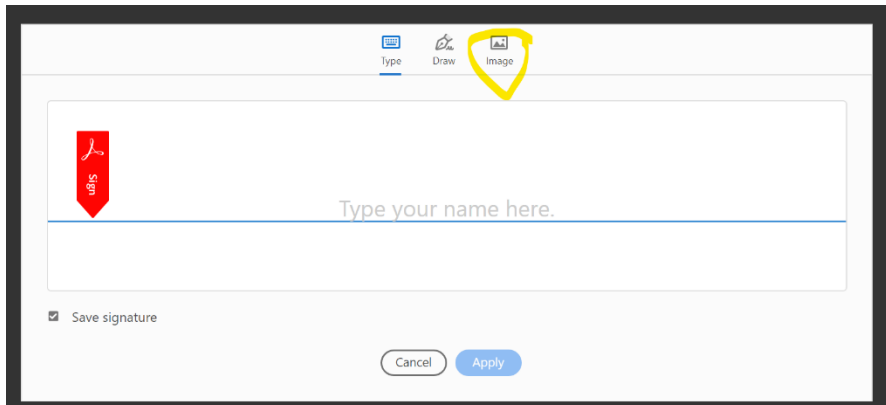

3. The Fill & Sign tool is displayed. **Click Fill and Sign.**

4. Click the Sign icon , and then choose add your signature.

5. If you've already added your signature or initials, just select it from the Sign options, and then click at the place in the PDF where you want to add your signature. Skip the next step.
6. If you are signing for the first time, you see the Signature or Initials panel. Choose Image, browse and select an image of your signature. For information on how to create this image open the [Creating a Signature PNG File](#)

7. Select your signature from the Sign options, and then click at the place in the PDF where you want to add your signature.
